Chapter 1 by Powell Alter

One day while at a party three people met for the first time. There was Powell, Hannah, and Jacob. They all became friends really quick. The party was over and they all left together. They were headed for their cars when suddenly a meteor landed on them. Three weeks later they woke up in a hospital and there was no one in sight. They got up and started to leave when all the metal objects in the hospital started to follow them. Powell was the only one who noticed them. He stopped and all of the objects stop. So he tried to move one with his mind and it worked. As he caught up with Jacob and Hannah he saw that a bunch of animals were following them. He told Hannah to stop. She turned around and saw a cat. She loves cats so she went to pet it and she got turned into a cat. She rubbed up against Jacob's leg and turned back into a human. Hannah can turn into animals. we just kept on walking to see if Jacob would do anything. we turned away for a second and he was gone. We called his name and he said he was right there. He sneezed then became visible again.
